Welcome Volkssporters

The Northeast Region of the American Volkssport Association is delighted to welcome volkssporters from around the globe to **Walk Thru History** with us during our 21st Biennial Convention. The Northeast Region is composed of 10 clubs from Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, Vermont, and New York.

In addition to the powerhouse cities of Boston and New York, the Northeast is known for its brilliant autumn leaves, architecture, museums, and historic sites. We will begin our volkswalks in the seaport town of Portsmouth, New Hampshire, an early shipbuilding center with one of the country's largest collections of federal style houses. From Danvers, Massachusetts, formerly Salem Village, known for the Witch Trials of 1692/93, we will travel to Springfield, Massachusetts, site of the Dr. Seuss Museum, the Basketball Hall of Fame and beautiful Forest Park. Our first convention walk in the Albany area will be in Cohoes, at the beginning of the historic Erie Canal. Our second convention walk will be on the Battlefield in Saratoga National Historical Park, recognized as the turning point of the Revolution. You will have a choice of three routes for this day's volkswalk and a volksbike ride. Our final convention walk is the President's Walk in Albany, the capital of New York founded in 1614 as a Dutch trading post. The first post convention walk will be in Cooperstown, New York, a lovely lakeside town and home of the Baseball Hall of Fame. We will close out the post walks in Buffalo, New York, at the terminus of the Erie Canal.

Additionally there will be a swim all three days in the convention hotel indoor or outdoor pools. Bikers will have two rides available every day from sunup to sundown. A Schenectady bike ride is self-supported and the Battlefield ride, available all three days from 9am until sundown, has a guided 9am bike ride with rental available only on Thursday, June 13.

Evening socials include Wednesday's **"Take Me Out to the Ballgame"** and Thursday's **Fiddle Tunes, Folk Songs and Fancy Footwork**, a musical interactive evening with a dessert intermission. On Friday evening, we will conclude the convention with our banquet, highlighted by the **Crazy Horse Memorial Speaker** and the **First Walking Hall of Fame Award Presentations**.

We look forward to seeing you in Albany and know you will enjoy the educational, historical and architectural charms our region has to offer. We are very excited to be your hosts in 2019.

Convention Co-Chairs
